**ALMONTY INDUSTRIES INC. ANNOUNCES THAT IT IS POSTPONING ITS Q4 SEPTEMBER 30, 2015 RESULTS RELEASE AND INVESTOR CONFERENCE CALL**

Toronto, February 3, 2016 – Almonty Industries Inc. (“Almonty” or the “Company”) (TSXV: AII) announces that it is postponing its teleconference to review its fiscal fourth quarter and year ended September 30, 2015 results, originally scheduled to take place February 4, 2015 at 8:30 a.m. ET.

The Company expects to be in a position to file its 2015 fourth quarter and year ended September 30, 2015 financial results on SEDAR on or before February 11, 2016.

**About Almonty**

The principal business of Toronto, Canada-based Almonty Industries Inc. is the mining, processing and shipping of tungsten concentrate from its Los Santos Mine in western Spain, its Wolfram Camp Mine in north Queensland, Australia and its Panasqueira mine in Portugal as well as the development of the Sangdong tungsten mine in Gangwon Province, Korea and the Valtreixal tin/tungsten project in north western Spain. The Los Santos Mine was acquired by Almonty in September 2011 and is located approximately 50 kilometres from Salamanca in western Spain and produces tungsten concentrate. The Wolfram Camp Mine was acquired by Almonty in September 2014 and is located approximately 130 kilometres west of Cairns in northern Queensland, Australia and produces tungsten and molybdenum concentrate. The Panasqueira mine, which has been in production since 1896, is located approximately 260 kilometres northeast of Lisbon, Portugal, was acquired in January 2016 and produces tungsten concentrate. The Sangdong mine, which was historically one of the largest tungsten mines in the world and one of the few long-life, high-grade tungsten deposits outside of China, was acquired in September 2015 through the acquisition of a 100% interest in Woulfe Mining Corp. Almonty also has an option to acquire a 100% ownership interest in the Valtreixal tin-tungsten project in northwestern Spain.
