ALMONTY INDUSTRIES INC. MANAGEMENT INFORMATION CIRCULAR

FOR THE ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS TO BE HELD ON MARCH 28, 2018

This Management Information Circular (the “Circular”) is furnished in connection with the solicitation of proxies by the management of Almonty Industries Inc. (the “Company”), a corporation governed by the *Canada Business Corporations Act* (the “CBCA”), for use at the Annual and Special Meeting of the holders of common shares of the Company (the “Shares”, and holders thereof, the “Shareholders”) to be held at the offices of Osler, Hoskin & Harcourt at 100 King Street West, First Canadian Place, 63rd Floor, Toronto, Ontario on Monday, March 28, 2018, at 9:00 a.m. (Toronto time) (together with any adjournment or postponement thereof, the “Meeting”) for the purposes set out in the accompanying notice of Meeting (the “Notice of Meeting”).

Information contained in this Circular is given as at February 20, 2018, and all dollar amounts are stated in Canadian dollars, unless otherwise indicated.

GENERAL PROXY INFORMATION

A. SOLICITATION OF PROXIES

The accompanying proxy is being solicited by or on behalf of the management of the Company and the cost of such solicitation will be borne by the Company. It is expected that the solicitation of proxies will be primarily by mail, though proxies may also be solicited, without special compensation, in person or by telephone, fax, email, or other means of communication by directors, officers or regular employees of the Company. The Company may pay investment dealers or other persons holding Shares in their own names or in the names of nominees (collectively, “intermediaries”) for their reasonable expenses incurred in sending this Circular and the accompanying Notice of Meeting and form of proxy or a voting instruction form, to non-registered, beneficial owners of Shares.

This Circular, together with the accompanying Notice of Meeting and form of proxy, is being sent to both Registered Shareholders and Beneficial Shareholders. If you are a Beneficial Shareholder and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary who holds your Shares on your behalf.

B. HOW TO VOTE YOUR SHARES

Registered Shareholders

A registered Shareholder (“Registered Shareholder”) is a Shareholder whose share certificate bears the name of that Shareholder. Registered Shareholders are entitled to vote their Shares in person at the Meeting or by proxy, and such Shareholders may be able to vote their proxies over the internet, by telephone or by mail in accordance with the instructions set out in the accompanying form of proxy.

If you are a Registered Shareholder and wish to vote in person at the Meeting, you should not complete or return the accompanying form of proxy, as your vote will be taken and counted at the Meeting.

Shareholders wishing to vote in person must register their attendance with the scrutineer upon arrival at the Meeting.

If you are a Registered Shareholder and do not wish to attend the Meeting or to vote in person, you may vote by proxy by properly completing, signing and depositing the accompanying form of proxy with the Company's transfer agent, Computershare Investor Services Inc. (the "**Transfer Agent**"). Registered Shareholders who elect to submit a proxy may do so online at www.investorvote.com, by telephone at 1-866-732-VOTE (8683) (for Shareholders within North America) or 1-312-588-4290 (for Shareholders outside North America), or by mail to 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, in all cases in accordance with the instructions provided by the Transfer Agent in the accompanying form of proxy and ensuring that the proxy is received not later than 48 hours prior to the commencement of the Meeting, excluding Saturdays, Sundays and holidays.

Beneficial Shareholders

If your Shares are registered in the name of an intermediary, rather than in your own name, you are a beneficial Shareholder (a "**Beneficial Shareholder**"). Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders (those whose names appear on the records of the Company as the registered holders of Shares) or as set out in the following disclosure.

If Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Shares will not be registered in the Shareholder's name on the records of the Company. Such Shares will more likely be registered under the names of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many United States brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders: those who object to their name being made known to the issuers of securities which they own (referred to as "**OBOs**" for objecting beneficial owners) and those who do not object to the issuers of the securities they own knowing who they are (referred to as "**NOBOs**" for non-objecting beneficial owners).

Non-Objecting Beneficial Owners

The Company is taking advantage of those provisions of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* of the Canadian Securities Administrators (the "**CSA**"), which permits the Company to deliver proxy-related materials directly to its NOBOs. As a result, NOBOs can expect to receive a scannable Voting Instruction Form ("**VIF**"). These VIFs are to be completed and returned to the Transfer Agent online at www.investorvote.com, by telephone at 1-866-734-VOTE (8683) (for Shareholders within North America) or 1-312-588-4291 (for Shareholders outside North America), or by mail to 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, in all cases in accordance with the instructions provided in the VIF. The Transfer Agent will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Shares represented by the VIFs it receives.

By choosing to send these materials to you directly, the Company (and not the intermediary holding your Shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your VIF as specified in your request for voting instructions that you receive.

NOBOs who wish to attend and vote in person at the Meeting must insert their own name in the space provided on the VIF to appoint the NOBO (or the name of another person the NOBO wishes to attend the Meeting and vote on the NOBOs behalf) as proxy holder and otherwise follow the instructions on the VIF. Beneficial Shareholders who appoint themselves as proxy holders should present themselves at the Meeting to a representative of the Transfer Agent. Beneficial Shareholders wishing to attend and vote in person at the Meeting should not otherwise complete the VIF.

Objecting Beneficial Owners

Beneficial Shareholders who are OBOs should carefully follow the instructions of their broker or intermediary in order to ensure that their Shares are voted at the Meeting.

The form of proxy that will be supplied by your broker will be similar to the proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary how to vote your Shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge will mail a VIF in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company’s proxy to represent your Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder) other than any of the persons designated in the VIF to represent your Shares at the Meeting and that person may be you. To exercise this right, you should insert the name of your desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge in accordance with Broadridge’s instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting and the appointment of any Shareholder’s representative. **If you receive a VIF from Broadridge, the VIF must be returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Shares voted at the Meeting, or to have an alternative representative duly appointed to attend and to vote your Shares at the Meeting.**

Voting by Proxyholder

If voting instructions are given on your form of proxy or request for voting instructions, then your proxyholder must vote, or withhold from voting, your Shares in accordance with your instructions. If no voting instructions are given, then your proxyholder may vote your Shares or withhold from voting as he, she or it sees fit. **If you appoint the proxyholders named on the accompanying form of proxy, and do not provide instructions as to how they should vote your Shares, your Shares will be voted “FOR” each of the matters set out in the form of proxy.**

As of the date of this Circular, none of the directors or officers of the Company are aware of any amendments or variations to the matters set out in the Notice of Meeting, nor of any other matter to be presented at the Meeting. However, if any amendment, variation or other business is properly brought before the Meeting, the accompanying form of proxy confers discretion on the persons named thereon to vote on any amendment or variation of the matters set out in the Notice of Meeting or any such other business in accordance with their best judgment.

C. APPOINTMENT OF PROXYHOLDER

The persons named in the form of proxy accompanying this Circular have been selected by the board of directors of the Company (the “**Board**”) and have indicated their willingness to represent as proxyholders the Shareholders who appoint them. **A Shareholder has the right to appoint as his, her or its proxyholder a person or company (who need not be a Shareholder) other than the persons designated in the accompanying form of proxy to attend and act on that Shareholder’s behalf at the Meeting.** As a Shareholder, you may exercise this right by inserting the name of such person or company in the blank space provided in the form of proxy and striking out the other names or by properly completing and signing another proper form of proxy and, in either case, depositing such form of proxy with the Transfer Agent at the location and within the time limits set out above.

If you appoint some other person to represent you, it is your responsibility as a Shareholder to inform that other person or company that he, she or it has been so appointed and to ensure that your proxy has been signed by you or your attorney authorized in writing (or, if the Shareholder is a corporation, under its corporate seal and signed by a director, officer or attorney thereof, duly authorized).

D. REVOCATION OF PROXIES

If you are a Registered Shareholder and you have submitted a proxy and later wish to revoke it, you can do so by:

- (a) completing and signing a form of proxy bearing a later date and depositing it with the Transfer Agent at the location and within the time limits set out above;
- (b) depositing an instrument in writing signed by you or your attorney authorized in writing (or, for Shareholders that are corporations, under such Shareholder’s corporate seal and signed by a director, officer or attorney thereof, duly authorized), with either: (i) the Transfer Agent, at the address noted above, or at the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting at which the proxy is to be used, or (ii) the chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting; or
- (c) following any other manner permitted by law.

Any Registered Shareholder attending the Meeting has the right to vote in person and, if you, as a Registered Shareholder, elect to do so, your proxy will be nullified with respect to any matters upon which you vote, and in respect of any subsequent matters to be voted upon at the Meeting.

Beneficial Shareholders should note that **only Registered Shareholders have the right to revoke a proxy. Beneficial Shareholders who wish to change their vote must make appropriate arrangements with their respective intermediaries.** Beneficial Shareholders should also be aware that intermediaries may set deadlines earlier than of those set out in this Circular or otherwise for the receipt of requests for voting instructions or proxies from Beneficial Shareholders, and are not required to act on any revocation that is not received by the intermediary prior to the deadlines set by that intermediary. As such, Beneficial Shareholders who wish to revoke their voting instruction form or proxy and to vote should contact their intermediary as soon as possible, and in any event well in advance of the Meeting.

E. NOTICE TO SHAREHOLDERS IN THE UNITED STATES

This solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of Canada and the securities laws of the provinces of Canada. The

proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the CBCA, certain of its directors and officers are residents of Canada and countries other than the United States, and all of the assets of the Company and a substantial portion of the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

D. RE-APPROVAL OF THE AMENDED AND RESTATED STOCK OPTION PLAN

Shareholders will be asked to consider and, if thought advisable, to pass an ordinary resolution ratifying and re-approving the Company’s Stock **Option Plan**. The Stock Option Plan was previously approved by Shareholders at the Company’s last annual meeting of Shareholders on May 1, 2017. The Stock Option Plan is a 10% “rolling” stock option plan, where the maximum number of Shares which may be reserved for issuance pursuant to options granted under the Stock Option Plan is 10% of the number of issued and outstanding Shares as of the date of grant, less any Shares reserved for issuance under any other option or security-based compensation mechanism of the Company. The Exchange requires that a rolling stock option plan be re-approved by Shareholders annually.

Summary of Stock Option Plan

The Stock Option Plan is designed to provide additional flexibility to the Board and Compensation and Corporate Governance Committee of the Board (the “**CCG Committee**”) in implementing their compensation objectives.

The purpose of the Stock Option Plan is to attract and retain officers, directors, employees and consultants (including consultants who provide investor relations activities to the Company) and to motivate them to advance the interests of the Company by affording them with the opportunity to acquire an equity interest in the Company, through stock options, and benefit from its growth. The Stock Option Plan is administered by the CCG Committee in conjunction with management. The CCG Committee is responsible for recommending for approval to the Board the grants of options to purchase Shares under the Stock Option Plan.

Pursuant to the terms of the Stock Option Plan and in accordance with the policies of the Exchange, the Board has the authority to grant options to officers, directors, employees or consultants (or a corporation employing or wholly-owned by such persons) on such terms, limitations, conditions and restrictions as the Board deems necessary or advisable.

The Stock Option Plan provides for the issuance of options exercisable to acquire up to 10% of the number of issued and outstanding Shares as at the date of grant, less any Shares reserved for issuance under any other option or security-based compensation mechanism of the Company. This type of plan is called a “rolling” plan because as options are exercised, the base of issued and outstanding Shares on which the 10% applies increases. If an option expires or otherwise terminates for any reason without having been exercised in full, the number of Shares in respect of that expired or terminated option shall again be available for the purpose of the Stock Option Plan.

In addition to the maximum number of Shares to be reserved, under the Stock Option Plan the number of Shares reserved for issuance to any one individual in a 12 month period may not exceed 5% of the issued and outstanding Shares and the number of Shares reserved for issuance to consultants may not exceed 2% of the issued and outstanding Shares. The Stock Option Plan provides for the ability of the Company to grant options to any person retained to provide Investor Relations Activities (as defined in the Stock Option Plan), promotional or market-making services.

Options granted under the Stock Option Plan may be exercised for a period not exceeding ten years. Options granted to an officer, director, employee or consultant who ceases to be so engaged must be exercised within one year following cessation of the optionee's position with the Company, provided that if the cessation of office, directorship, employment or consulting arrangement is by reason of death, the options may be exercised by the heirs or administrators of the optionee within a maximum period of one year after such death, all subject to the earlier expiry date of such options.

The exercise price of any option issued pursuant to the Stock Option Plan will be determined by the Board, in its discretion, but will not be less than the closing price of the Shares on the day preceding the date of grant, less any discount permitted by the Exchange. Options will be subject to resale restrictions imposed by the Exchange.

Options are non-assignable and non-transferable (subject to options being exercisable by the optionee's heirs or administrator). The number of Shares reserved under the Stock Option Plan and the exercise price payable for the Shares subject to such options will be adjusted appropriately in the event of any consolidation, subdivision, conversion or exchange of the Shares. The Stock Option Plan contains no vesting requirements, except for issuances to persons retained to provide investor relations activities. Subject to Exchange and Shareholder approval in certain circumstances, the Board may from time to time amend the terms of the Stock Option Plan or may terminate the Stock Option Plan at any time.

Resolution for the approval of the Stock Option Plan

The text of the resolution relating to the ratification and re-approval of the Stock Option Plan that management intends to place before the Meeting, with or without modification, is substantially as follows:

“IT IS RESOLVED AS AN ORDINARY RESOLUTION THAT:

1. The incentive stock option plan (the “**Stock Option Plan**”) of Almonty Industries Inc. (the “**Company**”) is hereby authorized, ratified and approved.
2. The Company be and is authorized to grant stock options pursuant and subject to the terms and conditions of the Stock Option Plan.
3. Any director or officer of the Company is hereby authorized to execute and deliver, on behalf of the Company, all such documents and instruments, and to do all such acts and things as such director or officer may determine to be necessary or advisable in order to carry out the effect of this resolution, such determination to be conclusively evidenced by the execution and delivery of any such document or instrument or the doing of any such act or thing.”

To be effective, the Stock Option Plan must be approved by the majority of the votes cast on the resolution by Shareholders, present in person or by proxy at the Meeting.

Unless authority to do so is withheld, proxies given pursuant to this solicitation by the management of the Company will be voted “FOR” the authorization and approval of the Stock Option Plan.

E. OTHER BUSINESS

As of the date of this Circular, none of the directors or officers of the Company are aware of any amendments or variations to the matters set out in the Notice of Meeting, nor of any other matter to be presented at the Meeting. However, if any amendment, variation or other business is properly brought before the Meeting, the accompanying form of proxy confers discretion on the persons named therein to vote on any amendment or variation of the matters set out in the Notice of Meeting or any such other business in accordance with their best judgment.

EXECUTIVE COMPENSATION

A. COMPENSATION DISCUSSION AND ANALYSIS

The purpose of this Compensation Discussion and Analysis is to provide information about the Company’s executive compensation philosophy, objectives and processes and to discuss compensation decisions relating to the Company’s executive officers, including its “named executive officers”. Pursuant to applicable securities regulations, a “named executive officer” means (i) the Chief Executive Officer and the Chief Financial Officer of the Company, (ii) each of the three most highly compensated executive officers other than the Chief Executive Officer and the Chief Financial Officer who were serving as executive officers of the Company or any of its subsidiaries at the end of the most recently completed financial year and whose total compensation exceeds \$150,000, and (iii) any additional individuals for whom disclosure would have been provided except that the individual was not serving as an executive officer of the Company or any of its subsidiaries, nor acting in a similar capacity, at the end of the most recently completed financial year.

For the financial year ended September 30, 2017, the only named executive officers of the Company were Lewis Black, Chief Executive Officer, Mark Gelmon, Chief Financial Officer, and Dennis Logan, former Chief Financial Officer (together, the “**Named Executive Officers**”). Mr. Logan resigned as Chief Financial Officer of the Company effective March 14, 2017 and Mr. Gelmon was appointed in his stead.

Compensation Governance

Compensation and Corporate Governance Committee

The Board has established the CCG Committee to assist the Board in fulfilling its oversight responsibilities in relation to, among other things, executive compensation, Board compensation, broadly applicable compensation and benefit programs, and performance reviews of the Board, its committees and individual directors. The CCG Committee is currently comprised of Daniel D’Amato, Thomas Gutschlag, and Mark Trachuk (Chair), all of whom have been determined by the Board to be independent under section 1.4 of National Instrument 52-110 – *Audit Committees* (“**NI 52-110**”). All members of the CCG Committee have experience in matters of executive compensation that is relevant to their responsibilities as members of such committee by virtue of their respective professions and long-standing involvement with public companies.¹ In addition, each member of the CCG Committee strives to keep abreast of trends and developments affecting executive compensation.

¹ For a description regarding the relevant education and experience of Mr. D’Amato, Mr. Gutschlag and Mr. Trachuk, see the section “*Business to be Conducted at the Meeting – Election of Directors*”, above.

The Board has a written charter for the CCG Committee outlining its role and objectives, composition, meeting requirements and responsibilities. Pursuant to such charter, the specific duties and responsibilities of the CCG Committee include:

- (a) reviewing and recommending to the Board the compensation and benefits policies and plans (including incentive compensation plans) for the Company and its subsidiaries;
- (b) annually evaluating the performance of the Chief Executive Officer of the Company and recommending to the Board his or her annual compensation package;
- (c) annually reviewing and recommending to the Board the compensation packages for the other executive officers of the Company;
- (d) reviewing and recommending to the Board any employment agreements with executive officers of the Company;
- (e) annually reviewing and recommending to the Board the compensation of the directors of the Company;
- (f) determining grants of options under the Company's stock option plan and recommending the same to the Board for approval; and
- (g) reviewing public disclosure of executive and director compensation.

The Board relies on the knowledge and experience of the members of the CCG Committee in carrying out its responsibilities and to recommend appropriate levels of compensation for the Company's executive officers. Under its Charter, the CCG Committee may also engage any external professional advisors, which it deems necessary to carry out its duties. However, to date, the CCG Committee has not retained any compensation consultant or advisor to assist the CCG Committee or the Board in determining compensation for the company's directors or executive officers.

A complete copy of the CCG Committee charter is available on the Company's website at www.almonty.com. Additional information with respect to the Board and the CCG Committee can be found in the section "*Corporate Governance – Board of Directors*" and "*Corporate Governance – Compensation and Corporate Governance Committee*", below.

Executive Compensation Program Design and Philosophy

The Company's executive compensation program is based on a pay-for-performance philosophy and is designed to deliver consistently strong performance for Shareholders. The Company's program is intended to achieve the following key objectives:

- (a) aligning the interests of the Company's executive officers and directors with those of its Shareholders;
- (b) attracting and retaining highly trained, experienced and committed executive officers and directors, whose performance will directly affect the Company's ongoing financial performance; and

- (c) motivating and rewarding executive officers and directors by linking incentive compensation to Shareholder value, the achievement of general business objectives, and financial and operational results.

The Company’s compensation program is comprised of base salary, short-term incentive compensation and long-term incentive compensation. These components are discussed in more detail below. In setting the value of each of these components, the CCG Committee considers the performance of both the Company, as well as the individual performances of its executive officers for the period in question. The CCG Committee does not generally set specific performance objectives and so relies on its experience and judgment in determining compensation. However, the CCG Committee will generally have regard to, among other things:

- (a) The Company’s performance relative to its general goals and objectives.
- (b) The Company’s performance relative to the mining industry as a whole and its peer group in particular. This peer group is determined by the Board from time to time on the basis of the size, scope and complexity of the other firms’ businesses and operations compared to those of the Company, with regard to factors including the relative stage of development, production levels, past exploration and development success, revenue levels, total assets, free cash flow and capital expenditures. Companies in this peer group (the “**Company’s Peer Group**”) include:

Tungsten Mining Companies	General Base Metals Mining Companies
Northcliff Resources Ltd. Black Heath Resources Inc. Wolf Minerals Limited Ormonde Mining PLC Colt Resources Inc. Tungsten Mining NL W Resources PLC	Canada Zinc Metals Corp Capstone Mining Corp. Copper Mountain Mining Corporation Nevada Copper Corp Western Copper & Gold Corporation Largo Resources Ltd.

- (c) The relative competitiveness of the Company’s compensation program when compared with the Company’s Peer Group.
- (d) The Company’s share price and market capitalization.
- (e) Developments in, and the stability of, the financial markets more generally.

The CCG Committee has not conducted a formal evaluation of the implications of the risks associated with the Company’s compensation policies. Risk management is a general consideration of the CCG Committee when implementing the Company’s compensation policies and the CCG Committee does not believe that the Company’s compensation policies result in unnecessary or inappropriate risk taking, including risks that are likely to have a material adverse effect on the Company.

The Company also does not have a policy that would prohibit a Named Executive Officer (as defined below) or director from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or director. However, management is not aware of any Named Executive Officer or director purchasing any such instruments.

Elements of the Company's Executive Compensation Program

Base Salaries

Base salaries are considered to be an essential element in attracting and retaining highly qualified executive officers who are critical to the Company's success. An executive officer's base salary is intended to provide a fixed level of pay that reflects each executive officer's experience, primary duties and responsibilities. It also provides a foundation upon which performance based incentive compensation elements are assessed. Base salaries are established by taking into account individual performance, experience, level of responsibility and pay practices in the mining industry generally. Base salaries of all executive officers are reviewed annually by the CCG Committee and approved by the Board.

Short-Term Incentive Compensation

The Company may pay discretionary cash bonuses, which are intended to reward individual contribution to corporate performance over the course of the Company's most recent fiscal year. Bonuses are paid at the discretion of the Board, on the recommendation of the CCG Committee, and neither the CCG Committee nor the Board has established any particular trigger or formula for determining when an award will be made under this plan, nor the quantum of any award that is made. Instead, the CCG Committee and the Board will generally consider all aspects of an individual executive's personal contribution to corporate performance and general objectives when making a determination. To date, there have been no cash bonuses awarded.

Long-Term Incentive Compensation – Option-Based Awards

The incentive stock option plan of the Company (as may be amended from time to time, the “**Option Plan**”) was initially adopted by the Company on February 10, 2010 when the Company was a Capital Pool Company (as defined in the Exchange Corporate Finance Manual), an amended and restated Stock Option Plan was initially approved by Shareholders at the Company's annual meeting of Shareholders on March 26, 2013. An amended and restated Stock Option Plan was approved by the Shareholders at the annual meeting of Shareholders held on March 22, 2016. The Board, on the recommendation of the CCG Committee, has the authority to grant options to officers, directors, employees or consultants (or a corporation employing or wholly-owned by such persons), including consultants that provide investor relations activities to the Company, on such terms, limitations, conditions and restrictions as the Board deems necessary or advisable.

The Option Plan is intended to advance the interests of the Company by encouraging the officers, directors, employees and consultants of the Company, and of its subsidiaries, to acquire Shares, thereby increasing their proprietary interest in the Company, encouraging them to remain associated with the Company and furnishing them with additional incentive in their efforts on behalf of the Company in the conduct of its affairs.

Ownership of Shares is intended to align the interests of the Company's executive officers, directors and other stakeholders with those of the Shareholders, as participation in the Option Plan rewards overall corporate performance, as measured through the price of the Shares. The Option Plan is also intended to assist in the recruitment and retention of key personnel. Similar to many other firms in the Company's Peer Group, the granting of options forms an integral component of the Company's overall executive compensation package. The Option Plan enables executive officers to develop and maintain an ownership interest in the Company.

Options are normally awarded upon the commencement of an executive officer's employment with the Company, with the size of the award determined by the level of the executive officer's responsibility within the Company. The Board, on the recommendation of the CCG Committee, has authority to make additional grants from time to time, and such awards are intended to ensure that the number of options granted to any particular individual is commensurate with the individual's level of ongoing responsibility within the Company. The Board and CCG Committee also have regard to other factors when determining whether to make an additional award of options to an individual under the Option Plan, including the number of outstanding options already granted to that individual, the value of such options and the total number of options available for grant under the Option Plan. See the section "*Business to be Conducted at the Meeting – Re-Approval of Amended and Restated Incentive Stock Option Plan*", above, for further information regarding the Option Plan.

Employment, Consulting and Management Agreements

Other than as described below, as of the date of this Circular, the Company does not have any employment contracts, agreements or arrangements with the Named Executive Officers to compensate them in the event of their resignation, retirement, termination or in the event of a change of control of the Company.

Lewis Black, Chairman, President and Chief Executive Officer

Effective October 1, 2012, the Company entered into an employment agreement with Mr. Black, as President and Chief Executive Officer of the Company. Under this agreement, Mr. Black is entitled to (i) an annual salary of US\$240,000 per year, as may be adjusted by the Board from time to time (the "**Base Salary**"), (ii) standard benefits made available by the Company to its employees, (iii) the use of a leased automobile in Spain, (iv) pay up to €6,000 per month in respect of rent and utilities for leased accommodation in Paris that is to be used as office space and (v) participation in the Option Plan. The agreement also contains certain confidentiality and non-competition provisions for the benefit of the Company.

In the case of termination for cause or by resignation, Mr. Black's vested options will remain exercisable until 90 calendar days following the termination date. In the case of termination without cause all vested options will remain exercisable for 12 months following the termination date. Options that do not vest will be forfeited.

There are no provisions in Mr. Black's employment agreement that provide for payments on a change of control, other than certain changes of control that may lead to termination by Mr. Black for good reason. CORPORATE GOVERNANCE

The following discussion of the Company's corporate governance policies and practices is provided pursuant to the disclosure requirements applicable to it as set out in applicable securities laws and the policies of the Exchange. The Company is a "venture issuer" for purposes of these laws and policies and it is required to provide this disclosure relating to its corporate governance policies and practices annually.

The CSA have adopted National Policy 58-201 – *Corporate Governance Guidelines* ("NP 58-201"), which provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. The Board continues to regard good corporate governance practices as being central to the effective and efficient operation of the Company. However, the Board considers that certain of the guidelines set out in NP 58-201 are not suitable for the Company given its status as a venture issuer, current circumstances and stage of development and, as such, certain of these guidelines have not been adopted. An overview of the Company's current policies and practices, as required by applicable securities laws, is set out below.

In addition, the CSA have implemented National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("NI 58-101"), which prescribes certain disclosure by the Company of its corporate governance practices. This section also sets out the Company's approach to corporate governance and addresses the Company's compliance with Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)*.

A. BOARD OF DIRECTORS

Mandate of the Board of Directors

On January 23, 2012, the Board approved a written Mandate of the Board of Directors to assist it in the better execution of its responsibilities. The mandate provides certain guidelines for Board composition and conduct, and highlights particular areas of the conduct of the Company's affairs for which the Board assumes specific responsibility.

Composition and Independence

The Board facilitates its exercise of independent supervision over management by ensuring representation on the Board by directors who are independent of management and by promoting frequent interaction and feedback.

Applicable securities laws, including NP 58-201, recommend, but do not mandate, that boards of directors of venture issuers such as the Company be comprised of a majority of independent directors, as that term is defined under applicable securities laws. Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment.

The Board has reviewed the relationship between each current director and the Company with a view to determining independence. Based on that review, four of the Company's six current directors are independent.

The independent directors are:

- Michael Costa
- Daniel D'Amato;
- Thomas Gutschlag; and
- Mark Trachuk.

The non-independent directors are:

- Lewis Black; and
- Mark Gelmon.

Mr. Black and Mr. Gelmon are not independent of the Company by virtue of their respective roles as Chief Executive Officer and Chief Financial Officer of the Company.

The Board has overall responsibility for the governance of the Company, including the exercise of independent supervision of the Company's management. The Board considers that management is, and has been, effectively supervised by the independent directors on an informal basis, as these independent directors are, and have been, actively and regularly engaged in reviewing the operations and activities of the Company, and have full and regular access to management of the Company.

Directorships of Other Reporting Issuers

None of the current directors of the Company presently serve on the board of directors of any other reporting issuers (or the equivalent) in a Canadian jurisdiction or a foreign jurisdiction, other than as set out below.

Name of Director	Name of Reporting Issuer (or the Equivalent)	Name of Exchange
Thomas Gutschlag	Deutsche Rohstoff AG	Frankfurt Stock Exchange

B. AUDIT COMMITTEE

Audit Committee Charter

The audit committee of the Board (the “**Audit Committee**”) operates under a written charter that outlines its role and objectives, composition, meeting requirements, and duties and responsibilities. The Audit Committee’s charter was approved by the Board on January 23, 2012, and the full text of the Audit Committee’s charter is attached to this Circular as Schedule A.

Composition of the Audit Committee

The Audit Committee is currently comprised of Mr. Gelmon, Mr. Thomas Gutschlag and Mark Trachuk (Chair). Mr. Gutschlag is considered independent as such term is defined in NI 52-110. Mr. Trachuk, although considered independent under NI 58-101, is not considered independent under NI 52-110 by virtue of being a partner of an entity that provides legal services to the Company. Mr. Gelmon is not independent for the reasons stated above. The Company complies with the composition requirements for audit committees under NI 52-110 which requires that a majority of the members of the Audit Committee of a venture issuer not be executive officers, employees or control persons of the Company. Similarly, the Exchange Corporate Finance Manual requires that audit committees must be comprised of at least three directors, the majority of whom are not Officers, employees or Control Persons of the issuer of any of its Associates or Affiliates (as such terms are defined in the Exchange Corporate Finance Manual). The Audit Committee meets these requirements as neither Mr. Gutschlag nor Mr. Trachuk is an Officer, employee or Control Person of the Company or any of its Associates or Affiliates, as defined by the Exchange.

All three current members of the Audit Committee are “financially literate”, as that term is defined in NI 52-110. Each has the ability to read and understand financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company’s financial statements.

Relevant Education and Experience

For a description regarding the relevant education and experience of Mr. Trachuk, Mr. Gelmon and Mr. Gutschlag see the section “*Business to be Conducted at the Meeting – Election of Directors*”, above.

As a result of their education and experience, each current member of the Audit Committee has the education or experience necessary to provide each with:

- an understanding of the accounting principles used by the Company to prepare its financial statements;

- the ability to assess the general application of such accounting principles in connection with the accounting for estimates, accruals and reserves;
- experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company’s financial statements, or experience actively supervising one or more individuals engaged in such activities; and
- an understanding of internal controls and procedures for financial reporting.

Pre-Approval Policies and Procedures

The Audit Committee’s charter requires it to pre-approve all non-audit services to be provided to the Company by its external auditors. However, the Audit Committee has not adopted any specific procedures for assessing whether or not such pre-approval should be granted in any particular case. The Audit Committee does, however, consider on an *ad hoc* basis the potential impact of any such non-audit services on the independence of the Company’s external auditors in light of the circumstances as they exist at that time.

External Auditor’s Fees

The table below sets out the aggregate fees billed by the Company’s external auditors for the financial years ended September 30, 2017 (being the fees to KPMG LLP) and 2016 (being the fees to Collins Barrow LLP, the former auditor of the Company).

	Year ended September 30, 2016 (\$)	Year ended September 30, 2017 (\$)
Audit Fees ⁽¹⁾	365,000	444,000
Audit-Related Fees ⁽²⁾	Nil	Nil
Tax Fees ⁽³⁾	Nil	Nil
All Other Fees ⁽⁴⁾	Nil	Nil
Total	365,000	444,000

Notes:

- (1) “Audit Fees” include fees necessary to perform the annual audit and quarterly reviews of the Company’s financial statements. Audit Fees include fees for review of tax provisions and for accounting consultations on matters reflected in the financial statements. Audit Fees also include audit or other attest services required by legislation or regulation, such as comfort letters, consents, reviews of securities filings and statutory audits.

Policy Statement

It is the policy of Almonty Industries Inc. (the “**Corporation**”) to establish and maintain an Audit Committee to assist the Board of Directors of the Corporation (the “**Board**”) in carrying out their oversight responsibility for the Corporation’s internal controls, financial reporting and risk management processes. The Audit Committee will be provided with resources commensurate with the duties and responsibilities assigned to it by the Board including administrative support. If determined necessary by the Audit Committee, it will have the discretion to institute investigations of improprieties, or suspected improprieties, within the scope of its responsibilities, including the standing authority to retain special counsel or experts.

Composition of the Audit Committee

1. The Audit Committee shall consist of at least three directors, the majority of whom are not officers, employees or control persons of the Corporation or any of its associates or affiliates (as such terms are defined from time to time under the requirements or guidelines for audit committee service under the applicable rules of any stock exchange on which the Corporation’s securities are listed for trading). The Board shall appoint the members of the Audit Committee annually and each member of the Committee shall remain on the Committee until the next annual meeting of shareholders of the Corporation after his or her appointment or until his or her successor shall be duly appointed and qualified. The Board shall appoint one member of the Audit Committee to be the Chair of the Audit Committee.
2. Each member of the Audit Committee shall be “financially literate”. In order to be financially literate, a director must have the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can be reasonably expected to be raised by the Corporation’s financial statements.
3. A director appointed by the Board to the Audit Committee shall be a member of the Audit Committee until replaced by the Board at any time or until his or her resignation. A member of the Committee shall automatically cease to be a member of the Committee upon ceasing to be a director.
4. The Board may fill vacancies on the Audit Committee by appointing another director to the Audit Committee. The Board shall fill any vacancy if the membership of the Audit Committee is less than three directors. Whenever there is a vacancy on the Audit Committee, the remaining members may exercise all of the Audit Committee’s powers as long as a quorum remains in office.

Meetings of the Audit Committee

1. The Audit Committee shall convene a minimum of four times each year at such times and places as may be designated by the Chair of the Audit Committee and whenever a meeting is requested by the Board, a member of the Audit Committee, the external auditors, or a senior officer of the

Corporation. Meetings of the Audit Committee shall correspond with the review of the quarterly financial statements of the Corporation and management's discussion and analysis thereon.

2. Notice of each meeting of the Audit Committee shall be given to each member of the Audit Committee and to the external auditors of the Corporation, who shall be entitled to attend each meeting of the Audit Committee and shall attend whenever requested to do so by a member of the Audit Committee.
3. Notice of a meeting of the Audit Committee shall:
 - (a) be in writing;
 - (b) state the nature of the business to be transacted at the meeting in reasonable detail;
 - (c) to the extent practicable, be accompanied by copies of the documentation to be considered at the meeting; and
 - (d) be given at least two business days prior to the time stipulated for the meeting or such shorter period as the members of the Audit Committee may permit.
4. A quorum for the transaction of business at a meeting of the Audit Committee shall be the majority of the members of the Audit Committee. However, it shall be the practice of the Audit Committee to require review, and, if necessary, approval of certain important matters by all members of the Audit Committee.
5. A member or members of the Audit Committee may participate in a meeting of the Audit Committee by means of such telephonic, electronic or other communication facilities as permits all persons participating in the meeting to communicate adequately with each other. A member participating in such a meeting by any such means is deemed to be present at the meeting.
6. In the absence of the Chair of the Audit Committee, the members of the Audit Committee shall choose one of the members present to be Chair of the meeting. In addition, the members of the Audit Committee shall choose one of the persons present to be the Secretary of the meeting.
7. The Chair of the Board, senior management of the Corporation and other parties may attend meetings of the Audit Committee; however the Audit Committee (i) shall meet with the external auditors independent of management as necessary, in the sole discretion of the Audit Committee, and (ii) may meet separately with management.
8. The Audit Committee shall provide the Board with a summary of all meetings together with a copy of the minutes from such meetings. Where minutes have not yet been prepared, the Chair of the Audit Committee shall provide the Board with oral reports on the activities of the Audit Committee. All information reviewed and discussed by the Audit Committee at any meeting shall be retained and made available for examination by the Board upon request to the Chair of the Audit Committee. Minutes of the proceedings of the Audit Committee shall be kept in a minute book provided for that purpose. The minutes of the Audit Committee meetings shall accurately record the discussions of and decisions made by the Audit Committee, including all recommendations to be made by the Audit Committee to the Board and shall be distributed to all Audit Committee members.
